

Can I get benefits?

To get Supplemental Nutrition Assistance Program (SNAP) benefits, your income and other resources have to be under certain federal certification limits which change every year.

What about Senior SNAP?

- Every member of the family must be 60 or above.
 - If not, the family is reviewed under regular SNAP
- Applicants are not able to work.
- Must meet the income limit
- Must have a fixed income such as SSI, SSA, or Retirement funds.

4 easy steps to benefits:

- ① Call 678 824 6000 to schedule an appointment at CPACS

- ② Come to your appointment with all documents listed below to your appointment

- ③ You will receive a DFCS phone interview after your appointment at CPACS

- ④ You will receive DFCS's decision about your case in the mail

What to bring:

- Whole family's Passports, Green Cards, I-94 for refugees, Birth Certificate for children who do not have a passport
- Social Security card for whole family
- Lease or Mortgage Statement

SNAP helps individuals of low income buy the food they need for good health. SNAP benefits are not cash. SNAP benefits are provided on an electronic card that is used like an ATM or bank card to buy food at most grocery stores.
